

COUNTY OF ORANGE, CALIFORNIA

DVB is an important new element in Orange County Procurement.

You're invited to attend the upcoming virtual Vendor Information Day (VID) session on:

Thursday, April 1, 2021
9:00 AM – 10:30 AM
Via Microsoft Teams

We will provide vendors with a brief training on “How to Conduct Business with the County.” This session will also include an opportunity for vendors to ask our department representatives any questions they may have regarding the County’s procurement process.

If you would like to participate in this event, **please** visit our VID website at <https://olb.ocgov.com/business/vid> AND to register for the session at <https://countyoforangevid.eventbrite.com/> (Note: We recommend accessing the websites with Google Chrome as some have encountered issues accessing the websites with Internet Explorer.)
